About Me

Hello!! I am Nick, a Indian Full-stack Designer, UI/UX Designer, UI Developer and Web application Developer with a wide array of skills and a broad knowledge in Web technology. I've been working with HTML5, CSS3, jQuery from past 8+ year.

I ensure an excellent User Experience and feel of the Product on any given platform. My work is My passion and I really love my work, but even more I pleased when other people appreciate my creative efforts. I am interested in start ups, in participating in challenging perspective projects.
